Dilan PP is a son of Leon PP, whose dam is a high-yielding full sister of the proven sire Valentin and thus traces back to the cow family of the national champion cow Vinozak Diva EX-95. In Dilan PP's dam line, his young O'Malley dam is followed by six generations of EX cows. Dilan PP's breeding profile shows him to be a solid performance sire with high fat and positive protein content (plus beta-casein A2/AA2), who impresses with his excellently balanced conformation and high fitness scores. Easy calving with good values for the maternal calving process also make Dilan PP a sought-after bull for heifer insemination.
