Wonderland

Wonderland is a Wintertraum son from a cow family with very high performance figures for production and components and impresses with 127 ÖZW, 130 GZW and very good fitness values. This bull, classified with 561 aAa, combines good milk production inheritance with outstanding udder health (120/ ZZ 121). The longevity, vitality, fertility and persistency are just as convincing as the conformation, where above all the outstanding feet & legs and udder inheritance with not too much size will ensure functional free stall cows. The births are average, while the maternal calving ease is rated very favorably.
