WBK Mr Krabs

The Manaus son Mr Krabs by Sonja and Johann Wagner from Unzmarkt in Styria is an excellent sire for dual use with high milk yield, high net gain (113), lots of frame and very good muscling. Mr Krabs also convinces with easy births and very good fitness values, with the high values for udder health and good milkability and daughter fertility being particularly noteworthy. His ecological breeding value is very good ÖZW 125.
