Android Red

Android Red is the new leader of the daughter proven Red Holstein sires in Switzerland and offers an attractive combination of the family of Apple Red EX-96 and the already daughter proven performance sire Pat-Red. Android offers an excellent overall package. He inherits high production with very high components, an attractive conformation with good feet & legs and udder transmission as well as good fitness values and positive milkability. Due to the inherited teat placement and length, it is also particularly suitable for AMS farms.
