TGD Snowentus P RF

Snowentus P RF is a P sire that tests highly in Switzerland with an outcross pedigree for polled breeding. He can be used on the daughters of all popular P sires as he does not have Earnhardt, Powerball, Style or Lawn Boy P blood. Snowentus transmits a good production, positive components, an attractive conformation with excellent udder transmission, very good fitness traits, low cell count, very good daughter fertility and longevity. Snowentus gives birth easily and is NOT from ET.
