4GM: Lylehaven Lila Z EX-94

Lando Z PP RF is a son of Powerful PP and comes from the family of the sire of sons Pat Red. On the mother's side, Lando goes back to the famous LILA Z family, from which the former Swiss list leader Lieutenant Z P also comes. Lando Z PP still transmits a solid production with positive components, good fitness with very good daughter fertility and a flawless conformation with wide rumps, a little more angle in the hind legs and very high and firmly attached udders. Lando tests kappa-casein BB and beta-casein A2/A2.
