Edison P

Edison P is the highest polled son of the Canadian top sire and international bull sire Silverridge Einstein. His dam KNS Miss Shot is out of the highly successful multiple bull dam KNS Missboard P and already achieved an outstanding 1,245 fat and protein kg in her second lactation. Edison himself also convinces with positive components, very good fitness values with high longevity and very good daughter fertility as well as a flawless linear with lots of strength, wide, slightly sloping rumps and excellent udder inheritance. Edison also has the top combination A2A2 and kappa-casein BB.
