NM Reiko Red

Reiko Red from Nessetalmilch AG is one of the highest red Ranger sons according to TPI in Europe. The dam's sire Erotic-Red (out of an EX-90 Jedi) has hardly been used in Germany. The granddam is a full sister of the successful German bull Spark Red and goes back to the Glen Drummond Shower EX-90 family. Reiko himself convinces with a very complete profile with high production, very good fitness and health values, excellent udder health and high longevity as well as impeccable conformation with very good feet & legs and udder inheritance.
