3 Davinci-T?chter @ Anderstrup Holsteins

EBA Davinci EX-95

Davinci is the highest Dylan son worldwide according to TPI and comes from the very successful breeding of EBA Holsteins in France. Davinci can also convince according to the German breeding value and is currently one of the highest conformation sires on the market. However, Davinci not only convinces with excellent conformation, but also with high components, good cell values, high daughter fertility and solid health values. Davinci is also an all-rounder in many systems and not only tests very well in the USA and Canada, but also in Switzerland, France and Italy. Davinci is also available as sexed semen.
