Drakkar Alexis PP RF

DKR Alexis PP RF is a homozygous polled sire that goes back to the Skalsumer Pietjes family, which is very successful in the Netherlands and has brought many bulls into AI use (including SunnyBoy with over 1.5 million sold portions). In addition to being polled, Alexis convinces with a good production with positive components and with his excellent conformation, with the inheritance of firm, high attached udders as well as good feet and legs and body inheritance with wide, slightly sloping rumps and a little more angle in the hind legs.
