No-Pe Twitch Egona VG-85

No-Pe Elixir

No-Pe Elixir is one of the absolute top Czech sires based on US breeding value. He combines an American paternal line with a robust Czech maternal line. In addition to its very good overall breeding value, Elixir impresses with good performance with very high components, an attractive exterior with wide rumps and very good udder inheritance with longer teats as well as excellent fitness and health values. Elixir has the top combination of A2A2 and Kappa-casein BB and can be used very well in heifers.
